Grade 4 Literacy Story Starter
Complete the story using your ideas. Here are some questions that may help you with your story: What did you find? What did you do with it? Did you keep it or look for its owner? If you found the owner, did you get a reward? If you became rich, how did your life change?

The Treasure

I have never considered myself to be a very lucky person. I always seem to lose more valuables than I find and when I do find something of value, I usually end up breaking or losing it. But one hot summer day last year, my luck changed. As I was walking along the road, I noticed something shining in the ditch through the deep grass. I became curious so I carefully edged my way to the bottom of the ditch to see what was there. As I bent over to pick it up, I could not believe my eyes, I had found a $\qquad$
