Watch the two videos on you tube they should give you a basic Idea of Black out Poetry.

- 1) Watch video... that is the mechanics of the lesson.
- 2) Choose a topic that you like. It can be a genre like mystery, suspense, horror... anything you find interesting.
- 3) Get some text- Magazine articles, old books.
- 4) Pick a page and highlight the words of the poem that you wish write. Circle the words. And color all other words. You can simply blacken the page, or create a picture on the sheet while hiding all the words except for the poem you have written.
- 5) Send me a picture of your poem... If you want I can share it to our Facebook page ... I can do it without posting your name if that is your wish.
- 6) Get outside and walk and enjoy spring, you have not had this opportunity since before you started school.
