

Bingo Scavenger Hunt

Backyard Adventure Edition — Cloud Card

Instructions: It's simple: Can you find 5 of these common objects in a row?

We've purposely drawn some of the objects to look mysterious. For example, is that a ball or a rock? Or, is that an acorn or a symbol for any kind of seed? You get to decide! We've also included three different bingo boards so that you can play with a friend. You can try it once in your backyard and once in theirs. Do you notice any differences?

Write down any interesting discoveries that you made while searching your backyard.

Bingo Scavenger Hunt

Backyard Adventure Edition — Your Custom Card

Instructions: Once you make some new discoveries in your backyard, you will be ready to make your own bingo board and challenge a friend. Cut apart our pictures and glue them on the board in any order. Or, you can draw your own pictures. Try to add some of the things you discovered in your backyard. You can also make some new rules. For example, is the center square a freebie? Then trade boards with a friend and have fun. **Can you find 5 of these common objects in a row?**

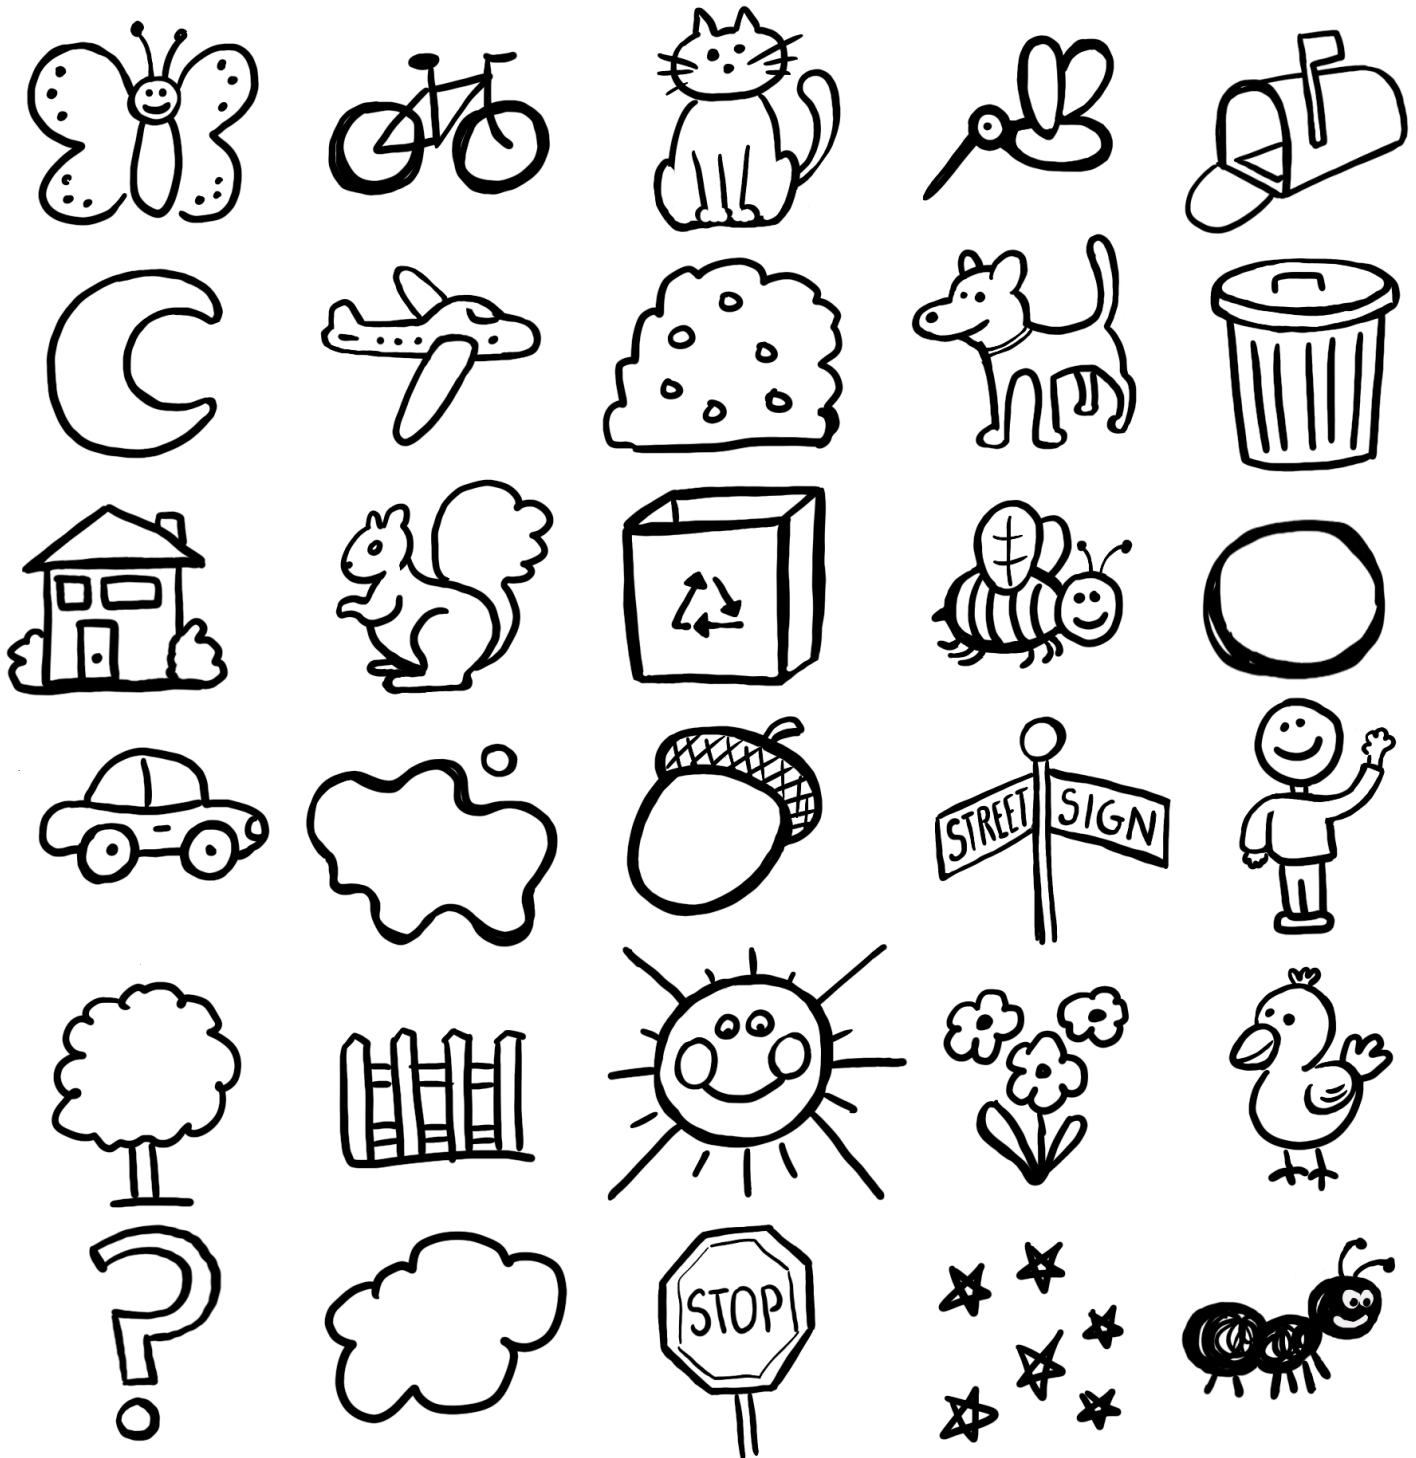

Write down any interesting discoveries that you made while searching your backyard.
