## The After School Movie

On Saturday, November 27, we had our first special activity hosted by The After School Program. Children could join us for a late night movie and popcorn. I was happy to see so many children attending the screening of *Cats & Dogs: The Revenge of Kitty Galore*. We all had a great time and can't wait to do it again! Benjamin of grade 5 was the lucky one who won the DVD at the end of the night.

Mark your calendar because our next movie day will be on **Sunday, December 19** from 2 to 4 p.m. This time, we will get to watch *DESPICABLE ME!* I wonder who will win the movie this time! Sophie

Each week we will be selecting a child from K-2, 3-5 and 6-8. They will have their picture taken and displayed at the school. They will also be given a certificate and a coupon for a cafeteria meal.

The students at Millerton School are wonderful young people and we want to recognize and celebrate when they go the extra distance to be kind and helpful.

## BACK PAGE STORY HEADLINE

This story can fit 175-225 words.

If your newsletter is folded and mailed, this story will appear on the back. So, it's a good idea to make it easy to read at a glance.

A question and answer session is a good way to quickly capture the attention of readers. You can either compile questions that you've received since the last edition or you can summarize some generic questions that are frequently asked about your organization.

A listing of names and titles of managers in your organization is a good way to give your newsletter a personal touch. If your organization is small, you may want to list the names of all employees.

If you have any prices of standard products or services, you can include a listing

of those here. You may want to refer your readers to any other forms of communication that you've created for your organization.

You can also use this space to remind readers to mark their calendars for a regular event, such as a breakfast meeting for vendors every third Tuesday of the month, or a biannual charity auction.

If space is available, this is a good place to insert a clip art image or some other graphic.

*This would be a good place to insert a short paragraph about your organization. It might include the purpose of the organization, its mission, founding date, and a brief history. You could also include a brief list of the types of products, services, or programs your organization offers, the geographic area covered (for example, western U.S. or European markets), and a profile of the types of customers or members served.*

*It would also be useful to include a contact name for readers who want more information about the organization.*
