

Permission to publish Form

At **Millerton School** we are working toward the development of several enrichment projects and opportunities for our students. We want to ensure you that we will be responsible with the use of technology and the products we produce; be that video, student work or photographs. Many of these presentations could be posted on the school website. We require your permission before we will use your child in these projects. This publishing will give teachers and students the opportunity to model responsible publishing and have conversations related to respecting copyright. Please complete the following form and return it to the school.
